

Scientific Chair:

Prof. Dr. Kay-Geert Hermann
Charité – Universitätsmedizin Berlin
Department of Radiology
Charitéplatz 1, 10117 Berlin, Germany

Faculty:

Prof. Dr. Torsten Diekhoff
Rüdersdorf, Germany

Prof. Iris Eshed

Tel Aviv, Israel

PD Dr. Anna Falkowski

Winterthur, Switzerland

Prof. Dr. Lennart Jans

Ghent, Belgium

Prof. Dr. Kay-Geert Hermann

Berlin, Germany

Prof. Dr. Joachim Sieper

Berlin, Germany

Venue:

Hotel Aquino Tagungszentrum
Hannoversche Straße 5b
10115 Berlin, Germany

Hybrid Event Concept:

The event takes place in Berlin and is also available via live stream.

Interactive cases are delivered on BerlinCaseViewer, with direct tutor interaction for online participants.

Organisation and Registration:

BerlinFlame GmbH
Michael Dabrowski
Berners Str. 21A
12205 Berlin, Germany

Tickets:

Standard rate: €349.00
[€415.31 incl. 19% VAT, where applicable]

Reduced rate*: €269.00
[€320.11 incl. 19% VAT, where applicable]

Book as a group: 50% off every additional ticket (from the 2nd onward)

*Residents/trainee physicians with proof of status

CME Accreditation:

Rheuma Day 2026 has been accredited by the Berlin Medical Association with 15 CME credits.

Sponsoring:

The event is supported by Bayer AG and UCB Pharma GmbH.

RHEUMA DAY BERLIN & ONLINE

April 24, 2026 | 9:00–18:00 (CEST)

Blended learning: includes a pre-event learning phase

Practice-oriented intensive course on imaging in rheumatic diseases for radiologists. Experienced faculty will cover the key fundamentals and highlight recent developments and emerging technologies. Hands-on cases—from core patterns to complex challenges—are available via the BerlinCaseViewer app and discussed interactively with the experts.

COURSE PROGRAMME

9:00

Welcome and Introduction

Kay G. Hermann

9:05

Diagnosis and New Classification of Axial Spondyloarthritis

Joachim Sieper

9:25

Axial Spondyloarthritis: What's New in Imaging in 2026

Torsten Diekhoff

9:50

MRI of the SIJ in the Pediatric Population – Tricks and Tips

Lennart Jans

10:10

CNO/CRMO in Whole-Body-MRI

Iris Eshed

10:30 Coffee Break

11:00

Interactive Case Readings with Expert Feedback (Axial Skeleton)

Torsten Diekhoff, Iris Eshed,

Kay G. Hermann, Lennart Jans,

Joachim Sieper

12:45 Lunch

14:00

Multimodality Imaging in Vasculitis – Combining MRI, CT, and PET for Comprehensive Assessment.

Kay G. Hermann

14:20

Imaging Features of Erdheim–Chester Disease: From Bone to Vessel Wall

Torsten Diekhoff

14:40

Patterns of Bone Marrow Edema in Large Joints – Mechanical, Inflammatory, or Transient?

Anna Falkowski

15:00

Early Identification of Enthesitis in Psoriatic Arthritis

Iris Eshed

15:15 Coffee Break

15:35

Interactive Case Readings with Expert Feedback (Large Joints, Connective Tissue, Vessels)

Torsten Diekhoff, Iris Eshed,

Anna Falkowski, Kay G. Hermann,

Lennart Jans

17:30

Assessment and Conclusion

Kay G. Hermann

18:00 Adjourn

ONLINE PRE-CONFERENCE LEARNING

Available from March 24, 2026

Imaging in Axial Spondyloarthritis: Focus on Sacroiliac Joints

Kay G. Hermann / 41:10

Value of X-rays in the Diagnosis and Follow-up of Rheumatic Diseases

Kay G. Hermann / 27:43

MRI in Peripheral Arthritides

Iris Eshed / 36:52

Beyond the Basics: MRI and Ultrasound in Psoriatic Arthritis

Kay G. Hermann / 14:08

Imaging of DISH: More than just Spinal Bony Bridges

Iris Eshed / 19:15

SAPHO, CRMO, CNO – Alphabet Soup for Radiologists

Torsten Diekhoff / 23:12

Imaging of Juvenile Idiopathic Arthritis

Sergio Lopes Viana / 49:38

Crystal-Induced Diseases: Role of CT and MRI

Torsten Diekhoff / 20:47

Axial Spondyloarthritis of the Spine: MRI Patterns, Pitfalls & Reporting

Kay G. Hermann / 38:00

Total Playtime / 4:30:45

Interactive Cases

The pre-conference learning package also includes 25 interactive basic cases: 13 on peripheral joints and 12 on the axial skeleton.
